NOTE FOR: Randy Fort  
PFIAB

FROM: Executive Assistant/Executive  
Director

The enclosed bibliography of open source materials on Chilean President Allende is in response to your request for materials for the paper you are doing for Anne Armstrong. This bibliography looks at primary and secondary sources and includes books, speeches, special studies, dissertations, scholarly journal articles, and Congressional testimony. Some guidance on general publications and newspaper sources is included, but the actual hits run into the thousands and are too numerous to cite.
